The first file is the report file and the 2nd contains the code and a readme.txt file on how to run the code.

Vandit Jyotindra Gajjar , 4 Nov at 22:18

If you can give more analysis, it will be better. E.g does the initial points affect the accuracy in task 4? Is the accuracy better with more dimensions in task 2?

Wei Yin , 19 Nov at 16:40
